

Table Sponsorship Details

Being a table sponsor is a great way to showcase your business for 5 monthly meetings. Table Sponsorships are available for a series of meetings:

March, April, May, June, and July

or

September, October, November, January, and February

The sponsored tables will rotate so you are not always in the front or the back of the room. In addition to having the 8" x 5-1/2" elevated table sign that denotes you as the sponsor, you will also have exclusive rights to disburse marketing items on your table. Get a little creative with both of these to entice people to your table with interesting and fun give away items. The cost of the artwork and table signage is included in the sponsorship package price.

Table Sponsorship Cost: \$125.

The cost of the artwork and table signage is included in the \$125 package you are committing to. You just need to provide the layout (this can be as simple as a scanned drawing, a word doc, or a fully formatted file) to our vendor along with all artwork, logos, photos, and fonts you have used in your layout so she can recreate your vision. A proof will be emailed back to you and you will have one opportunity to make changes to the proof before it is finalized. Please have a clear vision of what you want before you start this process.

Our vendor for this project is La Pine Sign, and Rodger and Cathy Kelso are the owner and our contact. Email your artwork to Cathy directly at lapinesigns@yahoo.com and cc: advertising@ConnectW.org on that email. Cathy is able to get a better outcome when the email is not forwarded.

Please get your email to Cathy Kelso and the Advertising Chair 30 days before the first meeting you will be sponsoring so we have plenty of time to make this a highly success branding and marketing campaign for you!
