

Table Sponsorship Details

Being a table sponsor is a great way to showcase your business.

Tables are available in all months except August and December.

The sponsored tables will rotate so you are not always in the front or the back of the room. In addition to having the 8" x 4" elevated table sign that denotes you as the sponsor, you will also have exclusive rights to disburse marketing items on your table. Get a little creative with both of these and entice people to your table with interesting and fun give away items. Your logo and a head shot of you will also be on a slide at the meeting and sent out with the Announcement emails after the meeting.

Table Sponsorship Cost:

- \$95 for a block of five consecutive meetings (months when we don't meet don't count)
- \$55 for a block of three consecutive meetings (ditto)
- \$20 for a single meeting

The cost of the artwork and table signage is included in your sponsorship package price.

Please submit your email two weeks before the first meeting you will be sponsoring so we have plenty of time to make this a highly success branding and marketing campaign for you!
